

## SHOEBOX APPEAL

A message from Link to Hope

*'A huge thank you to everyone who took part in our 2018 Family & Shoebox Appeal- we couldn't have done it without you. Sending **40,000** Shoeboxes to Eastern Europe is no mean feat and we are so grateful to all the schools, churches, businesses and individuals who sent their love in a shoebox to poor and marginalised people in Romania, Moldova, Bulgaria and the Ukraine'*

and a message from Agnes and Alan Burton

Thank you to everyone who responded to the appeal in last month's newsletter regarding knitting knee blankets for the Shoebox Appeal. You are BIG STARS !! and we are extremely grateful to you all.

The Shared Church has registered with Link to Hope to take part in this year's Shoebox Appeal. Whilst the leaflets will not be available until June and shoeboxes (and knitting) do not need to be ready until October, it's never too early to start collecting items for your box.

Once again, from Link to Hope and Agnes and Alan .....THANK YOU EVERYONE.
