

Shoebox Appeal 2022

Throughout the year we have collected a vast selection of practical items, including scarves and hats, for our essential 'Shoebox Appeal'.

A large number of spare items will be on display at the church coffee morning on Saturday 17th September, for you to collect any items you need to complete the filling of your own shoe box. A small donation will be requested, which will help pay for the packing and transporting of the additional boxes.

Shoebboxes and blankets will be needed even more desperately this coming winter, and 'Link to Hope' are raising every possible support for the Ukrainians, as well as sending urgently needed practical items to people in other countries, like Bulgaria, Romania and Moldova.

Boxes must be packed in time for our Shoebox Dedication Day, on Sunday 16th October, and leaflets regarding box content and packing requirements are available in the Schoolroom.

Please get in touch if you need further help as our boxes and blankets are vital for those who are living in desperate situations.
