

In a previous newsletter we shared about Thongpon, a leader in the Ban Dara church. Her mother, Jaew, is blind and deaf and suffers with dementia, and for health and safety reasons she desperately needed a downstairs room. We were able to provide the finance for materials and her husband did the construction. Following this the government provided her with a hospital bed and her situation has improved a lot. Thongpon and Plien are so grateful, and we praise God for his provision. Please continue to pray for healing for Jaew, and also for Thongpon, who has Thalassemia.

The Ban Dara church is growing and the building that they rent is no longer fit for purpose. They had been searching for a larger property to rent but found nothing suitable. Then a few months ago a piece of land became available in an ideal location in Ban Dara village. In faith, and with help from the Sacred Light church they bought the land and now they are in the process of preparing the land. Please pray for this work, for the design of the building, for good relationships with neighbours, and for the raising of funds. All being well they hope to start building in January 2026.

Pray for this Sunday when a team from Bangkok is coming to officially recognise Pastor Newton and Pastor Neng as ministers within the Baptist Church; and the church at Maesan as a 'Sala Tham' *

Pray for the visit of a team of 10 from Ashurst Baptist Church from 5th - 10th September, and especially for the evangelistic service on 7th - a combined service of all three congregations at Wang Daeng

Pray for evangelistic rallies on 30th September and 1st and 2nd October in Uttaradit City. Pray that we can take along many friends and neighbours to hear the Good News.

Pray for the future sustainability of the churches. Pray for the career project plans, such as mushroom growing, for the Ban Dara and Wang Daeng congregations.

Pray for our friends and neighbours in Tao Hai to find faith in Jesus, in particular: for Mr Chalong, Mrs Yupin and Mr Choom

Blessings in Christ
