

Shoebox Appeal

Needles and Pins

After an amazing response to the Shoebox Appeal this year, work has already begun to collect and prepare for 2024. We need your help.

We have some intrepid needlewomen who are making small sewing kits, suitable to go into shoeboxes and we need to supply them with needles, plain pins and safety pins with which to fill the sewing kits.

Do you have any that you don't want or need? If so, we would be delighted to receive them and anything else that might be suitable. It doesn't matter if you only have just a few. Simply put them into an envelope and hand it to one of us and we will pass them on to our stitchers. The sewing kits will be a very welcome addition to our stock.

As always, many thanks, Carol, Alan and Agnes.
