

SHOEBOX APPEAL 2023

This year we have been able to send 93 packed shoeboxes, 73 knitted or crocheted knee blankets and a large amount of knitted items, plus a donation of £103.00. Everything was on display at our Dedication Service on Sunday 15th October, where after watching a short video from Link to Hope, Rick blessed all we collected. This is an astounding number of items and everything has now gone to the Collection Point at Northampton, ready for distribution in Eastern Europe.

SO..... if you.....Packed shoeboxes, donated money, knitted or crocheted hats, gloves, little bags, covers for hot water bottles, sewed lavender bags, made coffee, drank coffee, baked cake, ate cake, washed up, preached at the Dedication Service, helped to shift bags and boxes to the top of the lane to go into our cars, Gift aided your delivery payment, went on a cruise and returned with scarves, collected empty shoeboxes, encouraged others to get involved, purchased shoebox items from our “extras” stall, brought items for our “extras stall”, sent games and toys from Wales, knitting from Sutton Coldfield, shoeboxes from Rushden, encouraged us and prayed.....

Thank You

We could not do this without you and its great to see everyone being involved. Work has already started for the Appeal in 2024. Carol, Alan and Agnes – Team Shoebox
